

ENVIRONMENTAL POLICY

Macquarie Builders is firmly committed to a policy in minimising the impact of its activities on the environment.

Strategy;

- Meet or exceed all the environmental legislation that relates to the Company.
- Source and promote a product range to minimise the environmental impact.
- Actively promote recycling both internally and amongst its contractors and suppliers.
- Minimise waste by evaluating operations and ensuring they are as efficient as possible.

Application of this policy

Macquarie Builders seek the co-operation of all employees, contractors and suppliers. Macquarie Builders will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.
