

QUALITY POLICY

MACQUARIE BUILDERS is a well-respected construction company that is involved in a full range of commercial, institutional, industrial and selected residential construction work within the greater Hobart area.

MACQUARIE BUILDERS' OBJECTIVES ARE TO:

- ❖ Complete building projects that exceed the client's expectations
- ❖ Produce a defect free product first time & on-time
- ❖ Use the best quality products from reputable suppliers
- ❖ Use the best qualified and resourced sub-contractors
- ❖ Provide a workplace that will attract quality people
- ❖ Create and maintain a safe working environment for all staff, subcontractors and visitors
- ❖ Meet standards and legislative requirements
- ❖ Be involved in the community through apprentice-ship programs and community initiatives
- ❖ Provide a workplace that is safe and free from hazards

To ensure that these objectives are met, Macquarie Builders has adopted a quality management system that complies with the *International Standard ISO 9001: 2015*. This Quality System will provide interested parties with the assurance that the projects completed by Macquarie Builders will be of a consistently high standard.

The Management of Macquarie Builders is totally committed to the implementation and maintenance of this quality management system and, in turn, expects every employee to contribute and support it. All employees of the company are aware of these quality objectives and strive to meet them.

We recognise that consistently high quality in both product and service will ensure client satisfaction, referrals, repeat business and continued business growth.

The Quality Management System and Quality Policy will be reviewed and updated as part of Macquarie Builders' commitment to develop and continually improve the processes and procedures of our business.
